ANOTHER  **PROJECT BOON** **EVENT**

Since 2011, Project Boon has been hosting our Thanksgiving event, Eat & Be Well, to serve warm meals and provide a health and wellness resource fair for the underserved in the Inland Empire. We have served over 35,000 plates at our holiday-based events. Our event helps low-income families stretch their holiday budget and connect them to social resources they otherwise may not have access to. Along with a Thanksgiving meal and connection to potentially life-changing resources, our resource fair also offers hygiene kits, haircuts, flu shots, as well as medical, vision, and dental screenings.

Desde el año 2011, Project Boon ha sido anfitrión de nuestro evento Eat & Be Well en el que se proporciona comida y una gran variedad de recursos para la salud y el bienestar de los más necesitados en el Inland Empire. Hemos servido más de 35,000 platos en nuestros eventos de días festivos y la necesidad sigue creciendo. Nuestro evento ayuda a familias de bajos recursos a estirar su presupuesto para los días festivos y a conectarlas con los recursos sociales con los que de otro modo no tendrían acceso. Por otra parte, nuestro evento no solo ofrece un plato de comida y recursos que cambian la vida de muchas familias, si no también ofrece botiquines de higiene, calcetines, cortes de pelo, vacunas contra la gripe y exámenes médicos, dentales y de la vista.
